FLAMETREE WINES MARGARET RIVER CHARDONNAY 2015

92 points—Ray Jordan—West Weekend June 2016

"Chardonnays from this producer have moved into a new zone of consistency and quality. Fits snugly into the modern era of Margaret River and Aussie chardonnay but retains the power and drive that make this area so good. Nutty, melony aroma with a little grapefruit. The Palate is already showing a degree of complexity but the fruit is pristine. Lovely over the next few years."

2016 London International Wine Challenge

"Exotic aromas of guava and passionfruit. Creamy, custardy palate with a nice fresh finish".
