## FLAMETREE WINES MARGARET RIVER CHARDONNAY 2014

---

### **93 points—James Halliday Wine Companion 2016**

"6 months maturation in French oak. A bracing style, off to one side of Margaret River style and as yet a little one-dimensional on the glass half empty side, deliciously fresh on the glass half full"

### **Neil Perry**

#### ***The Sydney Morning Herald Good Weekend Jan 2016***

"Flametree is responsible for some of the most exciting chardonnays coming out of Margaret River at the moment. The 2014 vintage is a restrained, seafood-friendly style with flavours of white stone fruits and lovely citrus, and the fantastic texture on the palate for which the region's wines are renowned."

### **Regan Drew Wine Words [Oct 2015]**

"A refined nose with nothing out of place. Just ripe peaches, fresh figs and citrus rind. The wine was French oak matured (but not for too long) to give a little spiced toast character to the nose and the palate. Refined flavour, too, pristine juicy citrus flavours that are neatly tucked into line with fresh vibrancy. This will convert any staunch non-chardonnay drinker."
