FLAMETREE WINES MARGARET RIVER SAUVIGNON BLANC SEMILLON 2013

James Halliday Australian Wine Companion 2015 Edition

“It lingers. It’s characterised by its delicacy but does not lack power. It mixes grassy/herbal notes with sweet, passionfruity flavour to just the right degree. As a result, from start to finish, its class whispers at you insistently”. Drink to 2017.

“Citrus, light tropicals, punchy and spicy with a bit of herbal twang - but not too much. Medium bodied, flinty texture, not abrasive, but not too soft either. Balance is the word. Runs along very well. Great example of the style.”

“Pure, clean and crisp is this excellent example of the classic Margaret River blend. There’s a deep influence of stone fruit driving the middle palate while the high-end citrus notes play their part on the nose and the finish. Excellent wine with some substance to support a range of different foods”.
