# WINE OF THE YEAR 2015

## Flametree SRS Wallcliffe Chardonnay 2014

"When I first tasted this wine in February I knew it was special. So, I wasn't surprised when, seven months later, it was the top-pointed Margaret River chardonnay at the James Halliday Chardonnay Challenge' ... It's a stunning example of modern Margaret River Chardonnay."

Philip Rich, Australian Financial Review Magazine, December 2015 issue

### James Suckling's Top 10 Wines of 2015

**'98 Points'**

"A stunning chardonnay with a breathtakingly complex nose, featuring an array of lemon and grapefruit, grilled hazelnut, chalk, wet stones and white peaches all swirling in the glass. Electrifying acidity, citrus and stone fruits, grilled nuts and a clean, racy, very long finish. Drink now."

### James Halliday Chardonnay Challenge

2<sup>nd</sup> Top Chardonnay in Australia

### Campbell Mattinson Winefront August 2015

**'96 Points'**

"Chardonnay to blind the weary drivers. Nothing else can set fire to this glass. Score is irrelevant. This wine is wonderful. Flavour and funk. Tropical fruit, grapefruit, white peach, pear. Struck match notes scorch over pristine, mouthwatering fruit. Length. Poise. Precision".

### James Halliday Wine Companion 2016

**'95 Points'**

"Clearly barrel-fermented and matured, although we are told nothing of its élevage.

Here the fruit density is very good, even though the alcohol is restrained, and layered complexity is achieved with ease, tangy grapefruit leading green apple, white peach and pear". Drink by 2029
