MARGARET RIVER

## FRANKLAND RIVER PINOT GRIGIO

"Two parcels were made from machine-harvested fruit, the free-run fermented in stainless steel, while the pressings were fermented and matured in used oak, with careful blending necessary. Bright bronze-pink, once described as the eye of a partridge by English wine writers. The smoky, musk and rose-petal bouquet is followed by a textured, balanced palate of very good quality." James Halliday

### 2018

93 Points - James Halliday, Wine Companion 2018
