FAMILYTREE WINE CLUB

Elfie

The Familytree wines are made exclusively for you, our wine club members and are named after people in our family tree and yours. They are “one off” wines from carefully selected batches of fruit that grew very well in that particular vintage, never to be made again.

Tasting notes

This wine is pale yellow in colour with green hues. The nose shows wonderful aromatics of freshly squeezed limes with hints of Turkish delight, passionfruit and gun flint. Fresh and elegant, the palate has a tight acid line showing tangy grapefruit and the freshly squeezed limes, delicate fresh herbs and zesty lemons. Extended skin and lees contact has created an appealing savoury mouth feel finishing crisp with textured minerality.

“Savagnin has a complex history like my grandmother Elfie [Elfriede], European born only to blossom on Australian soil. Elfie’s delicate appearance and love of perfume belied her underlying strength of character and zest for life. Precious memories that linger forever”
