FLAMETREE WINES FRANKLAND RIVER BOTRYTIS RIESLING 2013

93 points—Tyson Stelzer

Wine Business Magazine [May 14]

“A young, primary, clean and fruity botrytis style of well composed integrity, alluring and drinkable right away yet it will benefit from time to build complexity and depth. Unctuous apricot, fig, honey and pineapple are refreshed by lively acidity”.

The Wine Front [28th March 14]

“Cumquats, sweet lemon, perfume. Bright, juicy, interesting, acid grates a little, peachy flavours, and rich sweet perfumed finish. It’s a pavlova wine. Quite fluffy. Easy to enjoy”
