

Flametree
MARGARET RIVER

92 points

***Flametree
Sauvignon Blanc Semillon 2015***

“This is a really punchy blend from Margaret River. Loads of intense herbaceous character on the nose and the palate with a delicious balance of tropical fruitiness. Crisp fine acid and a very long finish. Has a slightly creamy texture emanating from a touch of barrel work. Good for the next year or so. At this time of year the crays and crabs would be tasting grouse with some of this.”
