

FLAMETREE WINES FRANKLAND RIVER SHIRAZ 2012

94 points—James Halliday

James Halliday Australian Wine Companion 2015 Edition
“Bright colour; matured in French oak, this has that distinctive Frankland River stamp of savoury, sombre, graphite-like characters threaded through the blackberry and plum fruit; the tannins are precisely calibrated. Drink to 2025.

“Flametree produces two sub-regional shirazes in Western Australia: Margaret River, and inland towards Albany at Frankland River. This is a brooding, dark-berried style of shiraz laden with aniseed spice. Overall, a medium-bodied, Rhone inspired effort of high quality”.
